Rep. Wayne Allard (R-Co) will be circulating BB health care taxes via "Dear Colleague". Also, he will be organizing a "special order" -- one minute speeches by a gang of 5-10 Congressman to talk about the tax issue.

Allard and Rep. Tim Penny (D-MN) the prime sponsors of legislation to put Clinton health care "on -budget" -- they have well over 120 sponsors in the House (15-20 democrats on it).

Also, I'm working on getting Connie Mack and some Democratic Senator to distribute to Senate.
