Events/Participation of CS Mexico City, 2015 and 2016

- OTC, Houston, TX, May 4-7, 2015
- San Antonio, TX, U.S.-MEXICO Oil and Gas Seminar, May 8, 2015
- LAGCOE, October 27-29, Lafayette, LA
- COPARMEX 4TH Oil and Gas Procurement and New Technologies Forum, Villahermosa, Tabasco, November, 3-5, 2015
- Energy Exhibition, Mexico City, Centro Banamex, January, 2016
Opportunities: PEMEX 2015-2018 (Upstream; Downstream; Midstream)

- Budget 2015: US$40 billion.
- Over 30,000 wells to be drilled (exploration, development, shale gas);
- Five refineries are to be upgraded to produce low sulfur diesel;
- US$200 million – Pipeline Gulf of Mexico to Pacific Ocean, 300 kilometers, 44 inches diameter;
- As of January 2017, PEMEX gasoline franchise program will change;

- Owners of concessions (9,000 stations) will have an option to buy and sell gasoline and diesel from another producers (Shell, Exxon, BP, Marathon, etc.);

- New gas stations at shopping centers, etc.
